## **BOLDLY, WE BUILD STRONG FOUNDATIONS UNITED, WE FIGHT FOR ROSETTA**

Rosetta is a single-mother of 5 who came to Rochester from Iowa in hopes of providing a better life for her family. Rosetta says,  
*“The area I lived in was really bad and I had five kids and it wasn’t safe. So, I move here to be safer and closer to my dad.”*

Struggling to find a job and affordable housing in Rochester, Rosetta was referred to Family Promise, a United Way funded partner. There she was introduced to the Family Stabilization Program which provides ongoing case management, life skills development, and vocational planning for advancement to families for up to 24 months after they leave the Family Promise shelter program.

With support made possible by United Way and people like you, Rosetta and her 5 children are thriving and on the path to homeownership.

*“It was just the time, of not knowing what we were gonna do next or where we’re gonna go... and to be able to come into Family Promise and just “here’s my load, this is what I’m going through” you know...I feel like I was given an opportunity... Family Promise has been the biggest help for me to achieve my goals.”*
